

Ronald McDonald House Youth Leadership Board

2018 - 2019

Mission Statement

Ronald McDonald House "Red Shoe KREWE" is a group of young men and women committed to promoting volunteerism by serving the families residing at Ronald McDonald House of Mobile, Alabama. Membership is open to high school juniors and seniors who demonstrate an interest in and commitment to helping the families who come to Mobile seeking medical care for their critically ill children. Young adults who are selected for membership to this leadership board will have the opportunity of developing self-confidence and leadership skills while engaging in age appropriate activities designed to meet the unique needs of our community. The KREWE members not only gain life-enhancing skills but also experience the fulfillment that comes from the sharing of one's time and talents with others.

Selection Process

Membership is open to rising juniors and seniors in area high schools. Most members will be active for two years.

The Selection Committee will consist of Ronald McDonald House staff and two or more members of the Board of Directors. This committee determines the finalists who are to be interviewed for the available openings on the board.
