

# Wish LIST

Ronald McDonald House Charities of Mobile relies upon donations of these household items and supplies to care and provide the comforts of home in our Ronald McDonald House and Ronald McDonald Family Rooms. Up to 38 families stay with us every night at Ronald McDonald House and many more use our Ronald McDonald Family Rooms for respite at USA Children's & Women's Hospital. Your donations help make their stay as comfortable as possible so they can care for their hospitalized child.

Next time you are out shopping for items for your own home, we would be grateful if you picked up a few things for ours, too. You can also host a donation drive for "The House That Love Built" and collect wish list items at your office, church, school or with a community group.
